The following items are provided with a Shell Scheme Booth:

- a) Walls : 2.44m (8ft) high panelling in powder coated Pifex system with fire retardant white board infill
- b) Fascia : 370 mm (ht) white board with text in blue vinyl sticker cut out
- c) Carpet : Floor to be laid with needle punch carpet
- d) Electrical : 2 nos. of 100W fluorescent tubes  
1 no. of 13 amp power point
- e) Furniture : 1 no of information counter  
2 white folding chairs

## 5. LOCATION

Exhibitors who have contracted for perimeter booths are to indicate below if any side wall is required. If no preference is indicated, no side wall(s) will be provided in order to give better visibility to the booths.

\* Delete as necessary

Exhibitors with a Standard Booth should indicate on the above plan the location of the entitled 13amp / 220V (fused to 5amp) power point(s) (not for lighting usage) to be installed on your booth. The number of power point(s) applicable is according to the respective specifications as listed overleaf. Please use ⊗ as the symbol for power point in marking the location.

**If additional lighting and/or power points are required, please order using Form B**

## CONDITIONS FOR ELECTRICAL RENTAL

- All items ordered are on rental basis and exhibitors will therefore have to make good of any damages or losses.
- Exhibitors with very sensitive equipment are advised to bring their own stabilizer to cater for voltage fluctuation.
- Any complaint regarding rental/installation must be lodged the day before the exhibition commences. Otherwise all items are deemed to have been received in good order.
- Exhibitors are not permitted to fix their own spotlight or fluorescent light. Special lighting supplies by exhibitors can be handed over to Pico for installation at a nominal price.
- Exhibitors are required to mark on the location plan position of their electrical requirements. We will install at our discretion if we do not received any instruction before move in. Requests for re-positioning will be subject to relocation charge.
